

2026 Nitro Trailers Oxford 250 Tire Procedures

- Tire selection will be by order of entry.
- Tire picking will take place behind the drag strip grandstand.
- If you write on a tire, you own it. Please bring duct tape or painter tape to mark tires if you are not 100% sure you want that tire.
- Teams will be allowed two people per car. Those two people can't be interchangeable with another team. These two people may pick or hold tires – a third person to hold tire will not be allowed
- Tire selection will begin at 9:00am Friday, August 28.
- Teams will pick eight (8) tires on there first round and eight (8) tires on the 2nd round. Teams wanting more tires will be sent through for a 3rd round to pick the rest of the tire they want.
- From 9:00am to 11:00am, we will only mount practice tires until all teams have a set of practice tires mounted.
- **Teams racing the PASS 150 on Friday night will take four (4) tires out of their inventory for that race. Any other tires that leave impound Friday or Saturday will be strictly practice tires.**
- Race tires will be released Sunday morning. Teams must select their 10 race tires prior to heat races. Teams adding tires for consis and/or last chance race must provide the additional tire numbers to officials prior to the 250 and which tires have been removed.
