Barre, VT & Naples, ME — Officials with the Milton CAT American-Canadian Tour and Pro All Stars Series have been forced to make changes to the schedule of the 6th annual Northeast Classic at New Hampshire Motor Speedway due to forecasted showers on Friday and Sunday. That said, Officials have opted to build a one-day show on Saturday, April 18 with a 1:00pm start time. Teams and campers will still be able to arrive on site starting at 4:00pm Friday for camping and early pit parking until 7:00pm.

Following a perfect weather weekend at Thompson Speedway for the annual Icebreaker, ACT and PASS officials were optimistic for a clear start to the season but Mother Nature has made other plans. With several meteorological sites calling for heavy downpours on Friday and Sunday, Officials have opted to make the 6th annual Northeast Classic into a one day show on Saturday.

Pit Gates will open at 6:30am for teams to begin preparations for the day with Grandstands open at 9:30am alongside the start of Practice. Racing will begin at 1:00pm with qualifying events. All divisions will get three rounds of practice. With the schedule change the 604 Modifieds have been dropped from the event due to time constraints and Friday's early parking between 4:00pm and 7:00pm remains on the schedule.

The Pit Booth will be open Friday, April 17 between 4:00pm and 7:00pm to pre-sell pit passes ahead of Saturday's early morning opening. Parking for campers and race teams will also be available between 4:00pm and 7:00pm on Friday.

"This is by no means a decision we take lightly as we make every effort to get this event in to start our season," said ACT managing partner Cris Michaud. "Saturday's forecast is much more optimistic and we're looking forward to getting our teams another great experience on the Magic Mile."

The Milton CAT American-Canadian Tour will kick off the 2026 season at New Hampshire Motor Speedway in the 6th annual Northeast Classic on Saturday, April 18. Complete with the PASS Super Late Models, Modified Racing Series, R&R Street Stock Open Series and Pro Truck Challenge, the Northeast Classic will once again give Northeast racers their chance to take on our region's great palace of stock car racing on Saturday, April 18.
